# Day Camping At Its Best!

Continuing the tradition of YMCA Day Camping, Camp Robbins is an ideal place to send your child. Located just north of Lake Osiris in Walden, our facility is just minutes from Newburgh, Wallkill and surrounding areas.

With nearly 100 acres of fields, lakes, streams, and woodlands, our camp provides a beautiful and natural setting for a variety of opportunities for campers to play, explore, create and learn. Camp Robbins is a wonderful environment to grow socially & stay active!

The Greater Newburgh YMCA understands and cares about parents' concerns for health and safety, that's why we take careful strides to ensure the staff and facility meet or exceed the standards set by the YMCA of the USA in addition to the licensing requirements mandated and enforced by the Orange County Department of Health. Inspection results are available for review at the Orange County Department of Health, Division of Environmental Health, 124 Main Street, Goshen, NY 10924.

We all look forward to your child joining our camp family. Plan now for a fun-tastic summer, so we can welcome you to Camp Robbins! All programs are open to everyone, regardless of race, creed, national origin, or ability to pay.

## Young Campers 4-6 Years Old

The Young Camper day reflects the general day camp program only offered in smaller groups, with an emphasis on age-appropriate activities. Making new friends, gaining valuable social skills, and learning to appreciate the outdoors is just the beginning of a summer fun-filled for every young camper. Parents can relax as their child's first summer camp experience can be safely and appropriately led under the watchful eye of our YMCA staff.

## Day Camp 7-12 Years Old

Campers are assigned a counselor and grouped according to age and gender. Activities can include Arts & Crafts, Ropes Course Challenge, Field Games, Hiking, Fishing, Archery, Nature Crafts, Sing-a-longs, and much more! All campers are assigned a swim level according to his/her ability and participate in lessons and free swim sessions. Throughout the summer, campers also enjoy a calendar of "theme days" which can result in dressing up as a favorite character, breaking a camp record, or witnessing a camp "pieing" challenge!

## Teen Camp 13-15 Years Old

With an emphasis on the outdoors, Teen Camp offers a unique opportunity for campers to socialize, enjoy camp programs along with learning team building skills while preparing for and participating in planned 3-day camping trips. Each session, teens will campout, prepare their own meals, and coordinate their own scheduled activities. All teens are expected to participate in the 3-day camping trip. Given all staff are away on the trip and are not on the camp premise, parents MUST make alternate plans/arrangements for those not attending trips.

## Leader in Training (L.I.T.) - 14-16 Years Old

This program is designed for teens with an interest in developing leadership skills that may prospectively lead them to positions as a camp counselor or youth worker. Throughout this 8-week program, participants will learn skills to plan, lead and assist in daily camp activities. Candidates must complete an application.

\* Volunteer opportunities are available for those with limited time open, but are interested in gaining experience at camp. Call for more information.

# Why Camp Robbins?

## Staff & Principles

Understanding the importance of providing positive, meaningful relationships that help nurture and guide your child, our staff is carefully selected according to their experience and background, and meet all standards set by the NYS Department of Health. Staff must pass background checks and are provided extensive training prior to work.

**Community** - Day Camping provides your child with the unique opportunity to learn, grow, and create in an outdoor setting. In this child-centered community, your child can test his/her skills, gain confidence, develop friendships and learn to share and accept others. All this within a safe, active, and fun atmosphere!

**YMCA Values, Camper Conduct & Discipline** - As a participant at Camp Robbins, each camper is expected to abide by and follow rules established to ensure a positive and enjoyable experience for all. The YMCA believes in the four core values: **CARING, HONESTY, RESPECT,** and **RESPONSIBILITY.** These values help define and develop one's character. As a participant at Camp Robbins, your child(ren) will discuss these values and sign a contract agreeing to follow and practice these four values. If a behavioral issue arises, parents may be notified by letter or phone. Depending on the behavior in question (severity or recurrence), a suspension or permanent termination from camp programming may occur. No refunds will be issued for days missed. Be sure to refer to our *Parent Guide* provided in our registration confirmation packet.

**Opportunity to Attend** - As a non-profit, we believe every child should have the opportunity to experience the outdoors. The following options are available to assist paying for camp tuition: YMCA Camperships, Childcare Council of Orange County (in partnership with the United Way) and Department of Social Services' Child Subsidy Program. YMCA assistance is available through our annual fundraising campaign and you should contact our main office at 562-1088 for an application. Please note funds are limited and information is kept confidential. All applicants must apply each year and are not guaranteed the same amount or approval. If you are receiving public assistance, contact your caseworker directly at DSS for information.

\*Please remember funds from all these programs listed are limited. It is strongly recommended that you apply early to ensure adequate time for processing and knowledge of amount offered and/or denial status. **Please apply early!**

**Opportunity to Give** - Help other kids experience camp programming by checking the "Send a Kid to Camp" box on your child's registration form and making a tax-deductible contribution that helps maintain our belief that every child deserves the chance to attend camp regardless of ability to pay!
